PROPOLIS THROAT SPRAY

GRAPE FLAVOR

Description

Made with aqueous green propolis extract, that is, it does not contain alcohol in its formulation, the Propolis Spray grape flavor provides greater acceptability and adherence to use.

In its composition, a green propolis extract of excellent quality and standardized in phenolic compounds, the main bioactive substance of propolis; natural ingredients like honey forest, in addition to being enriched with vitamins B9, B12 and mineral selenium.

Offering a very palatable flavor to the formulation, the aroma of grape makes the ingestion of the product much more pleasant any drinking age.
